

PRODUCT INFORMATION

Greasolve

Multipurpose Solvent Degreaser

DESCRIPTION

Greasolve is a versatile solvent degreaser. It may be used for general cleaning and degreasing of workshops, the transport industry and mining equipment.

FEATURES & BENEFITS

- Quick breaking;
- Advanced formulation removes oils and grime from all surfaces;
- High flashpoint makes it safer to use;
- An efficient degreaser that cuts into oils, grease and Bitumen;
- Safe to use on all metals;
- Ready to use. Spray, brush or immerse.

USE DIRECTIONS

Use as Received

Manual Cleaning: Apply with a brush or spray. Allow 5 – 10 minutes for Greasolve to penetrate the grime. Rinse off with water spray pressure cleaner.

Immersion Cleaning: Greasolve is an ideal product for immersion cleaning. Submerge components in the solution for 20 – 30 minutes. Upon removing the parts from the tank rinse off with water spray pressure cleaner.
